Re: Daniel Gaumont – Founder Quebec Military Tribunal

This letter informs the Victoriaville and St-Joseph de Beauce Criminal Courts that I serve as an Honorary Officer in the Quebec Military Tribunal. I was asked to be expert witness at the Hearings presented on June 2-4, 2023. The Hearings were presided over and directed by Commander Daniel Gaumont Pagé: www.militarytribunal.quebec

I was called to be heard as one of his witnesses but was labeled as irrelevant by both judges in his cases (Victoriaville and St-Joseph-de-Beauce in Quebec).

We are filing our Objection against the destruction and seizure of his personal computers, which contain the confidential and TOP SECRET list of members and candidates of the Quebec Military Tribunal and the Quebec National Guard, as well as the banners, head caps, clothing, the 2015 US DoD Law of War Manual, and any other material belonging to the above military organizations that were seized on November 3, 2022, March 1st, 2023 and June 13, 2023.

The acts of both Criminal Courts and Judges violate the Uniform Code of Military Justice of the United States of America.

We appreciate your expedited collaboration.
